EXCERPTS FROM BELOVED JESUS' TALK

Yellowstone Park August 29, 1937

BELOVED ONES, I want each one of you to realize how great is My Love and Gratitude to each one who is willing to give the needed Obedience to give the assistance required at this time. May I repeat the Words the Good Messenger said this afternoon—I did not know he was receiving it at this time; and please keep this for yourself only, do not discuss it with each other.

Beloved Saint Germain said, I recall first in the San Francisco Class, "Can you imagine My Gratitude in now finding My humble efforts coming into fruition?" Then can you also feel My Gratitude to Beloved Saint Germain and to you Blessed Ones who are strong enough to carry the Light in fulfilling the Words I said to mankind more than two thousand years ago? I meant those Words! It is the Law of Life; and mankind, if they had been willing to listen and abide in and by those Words, would have prevented all these centuries of mankind's bondage and limitation. But there could not be enough of the Law of the "Mighty I AM Presence" released at that time to hold the guard over mankind—but today in the Understanding which Saint Germain has brought forth of the "Beloved Mighty I AM Presence" to hold that anchorage.

Beloved Ones, I say to you tonight, the opportunity is so great before you, Precious Ones. If you will do as these Beloved Messengers asked tonight—just refuse to listen to reports of any kind that come to you; and if people come to you, just turn them to their "Presence" and say, "Now the only way you can get your Freedom is by your attention to the 'Presence,' and let us not discuss this problem further!" Keep standing firm in your "Beloved Mighty I AM Presence"; then you can have all your precious Hearts desire.

I am sure that you feel as never before how great is that opportunity by holding perfect Harmony maintained in your feelings. It is not an easy thing for mankind after so many centuries of accumulation of human desires, believing and feeling that the human had to be the doer, and now to suddenly realize that the governing of their feelings is the *important thing* to all conditions of Perfection;

but everyone, if they will just keep reminding themselves, shortly they will come into the true feeling!

These Beloved Messengers have learned the importance of perfect Harmony in the feelings that allows the Powers of the "Presence" to flow forth and flood your world and fulfill every desire that is there.

Beloved Saint Germain wishes Me to ask the Student Body to guard your speech with each other, that no one can misunderstand or misconstrue, by just keeping right to the letter of the Law. Read those Books, all of you, that you may be more familiar with the Law and the Expressions as Beloved Saint Germain has given It forth. It will help you so much and also strengthen the Power or Radiation within to hold that great calm poise that allows either the "Presence" or Beloved Saint Germain to impress you clearly and definitely with whatever is necessary to be said.

As you will do that, oh, your joy will be so great, and your Happiness and Harmony will be so great; but the moment you begin to revolve the problem of somebody doing this or that, the first thing you know, you come into that vibratory action, and you become agitated and disturbed; and if you will just stand guard over that, you will have no difficulty in releasing and fulfilling every desire you have.

I say to all of you tonight, Beloved Ones, oh, rejoice! Rejoice! Rejoice in having been drawn into this great Focus of Light. Oh, Dear Ones, do feel Its Reality! Don't ever let anything come within your human consciousness that would make you doubt or turn aside, even momentarily. Oh, just let the Glory of your "Presence" fill your mind, your body, your feeling world, your expression, with Its Great Majestic Presence.

Blessed Lotus, your devotion, your wondrous, limitless energy is so great! Just try to feel that great calm poise. Don't let anything disturb you in any way! Whatever is to be done: " 'Beloved Mighty I AM Presence,' that is your business! You take command of it!" Then you, in your feeling world, be at Peace. Your Victory is very great!

Blessed Ones, perhaps sometime We can visit again, but I must not take more time tonight. You feel everything—even to the

Greatest Height you desire—is all just perfectly natural, and just say to your human when it gets over-anxious, "Now just get thee behind me!" Remember, when the gates are opened at flood tide, they swing wide open. That might sound like a parable; anyway, I am sure you all quite understand.

May I express to you the Love of Saint Germain, Nada, the Divine Director, David Lloyd, Nada, Rex, Bob, and Pearl, and Myself, with all Its Powers, Courage, Strength, Self-control and Poise that you require in all of you at any time to give you the Victory of the Light. Good night, Beloved Ones.
